Faculty

O'Neal, Donna L., GWC, Instructor, Cosmetology, retirement effective 06/30/08.

Donna O'Neal began her career in GWC's Cosmetology program as an instructor in 1976. Concurrent to working at GWC, Donna has completed her Bachelor's and Master's degrees in Vocational Education, and has received numerous certificates of accomplishments in Cosmetology. Additionally, she has been dedicated to keeping the program vital by representing the department on various campus committees, staying engaged in her industry by being a member of the Associated Cosmetology Teachers (ACT), and helping with many hair styling competitions in the department. Her plan after retirement is to continue working in the salon, improve her skills in golf, travel, shop, and enjoy good food.

Seebold, Patricia, GWC, Instructor, Digital Arts, retirement effective 05/26/08.

Pat Seebold came to GWC as a part-time cosmetology instructor in 1975 and was awarded a full-time contract in 1976. It was during Pat's years teaching Cosmetology that she realized she enjoyed teaching. Pat continued her education and in 1995 transferred to the Computer Science Department, where she taught beginning computer classes on the PC and graphic classes on the Mac. According to Pat, this teaching experience made her "biliterate." In 2000, the computer graphics courses she was teaching were moved from Computer Science to their new home in the Digital Arts program, where she has made her home ever since.

Pat says that she tends not to stay in one place for too long out of fear of becoming stagnant. She says that she agrees with the wise person who once said, "When you are green you grow, when you are ripe, you rot." It is clear to Pat that it is now time for her to grow in other areas. Over the years, Pat has become increasingly fascinated with fiber art, and she hopes to pursue an imaginative career making beautiful art quilts. In addition, Pat may write a book or two and wants to digitize her drawings into embroidery designs. She also would like to do the usual retirement activities, like spend time with her grandchildren and traveling.

Suzuki, Lori, OCC, Instructor, History, retirement effective 05/25/08.

Lori Suzuki is retiring from Orange Coast College after 19 years as a full-time professor of United States history. Suzuki, a resident of Laguna Niguel, began teaching at Coast in 1989. During her career, she developed seven courses at Chapman University, and also created a history honors course with a family history/genealogy component.

Before she arrived at OCC, Suzuki taught history at Chapman College and Saddleback College. She earned a bachelor's degree in sociology at Cal State Fullerton in 1969, and completed her M.A. degree in history there in 1984. Suzuki enjoys genealogy and discovered a 5th great grandfather who served in the Revolutionary War as well as family members who were involved in the Civil War and who traveled the famous Overland Trail. More recently she researched United States anti-miscegenation and anti-discrimination laws directed at Chinese immigrants. In retirement, Suzuki plans to spend time enjoying her family, including son Matt and two grandchildren.

Varga, John, OCC, Instructor, Business, retirement effective 05/25/08.

John Varga joined the Orange Coast College faculty in 1976, and he has been teaching business classes at OCC for the past 32 years. He plans to teach a class at OCC in the fall, but will have more time to travel and work out at the gym. Varga has visited Africa twice, and has also explored the Amazon, South America, Brazil, Ecuador, the Galapagos Islands and Indonesia. He also enjoys vacationing time in Maui. Varga, who is single, also enjoys hiking and looks forward to exotic vacations in third world environments. He is also committed to preserving the environment and humane animal treatment.

A native of Philadelphia, Varga earned his bachelor's degree in business administration at Villanova University. He graduated summa cum laude and was the top-ranking student in his graduating class. He completed his MBA in accounting and finance at the University of Chicago. Before he began his teaching career in California, Varga was a senior accountant with Haskins and Sells (now Deloitte-Touche), where he performed audits of Fortune 500 companies and smaller businesses from 1968 through 1974. Varga decided to pursue a teaching career while he was visiting his sister, who lived in California. He dropped by campus one day, "and the business division chair opened the door." His OCC career began.

In the late 1970s and early 1980s, Varga supervised the accounting function for the Windjammer store, an on-campus apparel shop run by students in fashion merchandising. A licensed Certified Public Accountant in California, Varga is a member of the American Institute of CPAs, the California Society of CPAs and the American Accounting Association. He also served in the Army Reserve as a staff sergeant for six years, including active duty for several months at Fort Knox, where he became a personnel specialist. Teaching classes at Coast has been a "great way to spend my career," Varga said. "I like teaching, and I like campus life." Varga, who has taught classes in accounting and income taxes, celebrates his birthday on income tax day – April 15th!

Wallace, Nina, GWC, Instructor, Cosmetology, retirement effective 06/30/08.

Nina Wallace became a Cosmetology instructor in 1960. She worked in the private sector before coming to Golden West College in 1976. She developed the Esthetician program which has become one of our most successful. Along with many advanced training classes, Nina took a sabbatical in the "90s and went to Pivot Point International in Chicago for additional training when she left the esthetician program. She has always been a true professional and an exceptionally thorough instructor, admired for those qualities by all who have worked with her.

During her tenure here at Golden West, Nina has served on many committees and was active in CFE serving at Vice President. Nina plans to enjoy her home and garden, and spend more time with her family. Travel is also in her future. Teaching has always been Nina's passion and she will miss it. Golden West College will always have a place in her fondest memories.

Williams, Lawrence F., GWC, Instructor, Chemistry, retirement effective 05/26/08.

Larry Williams began his career with Coast District 16 years teaching Chemistry for the Physical Science Department at Golden West College. Larry brought expertise honed in industry with molecular modeling software, and other techniques to bring realism to what he taught. Our students benefited as he taught general chemistry in our majors program then revamped the general physical science course for both non-majors and honors program participants. H also used his computer expertise to continue modernizing our Introductory chemistry course that often serves our nursing majors. Larry worked to make this course accessible through the Blackboard learning system and to integrated lecture and lab concepts that would mesh information in a format that helped students succeed.

Larry and his wife Jamie plan to live in Raleigh, North Carolina where they have already purchased a new home. They have been biolocating during vacation periods and are ready to make the plunge. They will keep busy visiting family who live in the area and traveling and exploring the east coast. Just in case this is not enough to occupy his time, Larry plans to help launch a new community college in the area by teaching for them part-time. Lucky college!

Classified

Lund, Sally J., CCC, Area Facilitator, Classified Unit, retirement effective 08/30/08. Unused vacation to be paid in lump sum.

Sally started working for the Coast Community College District nearly twenty years ago at the District office in the NOE (Notice of Employment) department. For the past eighteen years Sally has worked for Coastline College as the Area Facilitator for the Career and Technology Education division, currently housed at the Garden Grove Center. If you ask Sally what is rewarding about her job, she would say interacting with the students, staff and faculty on a daily basis, problem-solving and contributing to the growth of the college. Sally has always loved her position with Coastline and will miss the great working relationships she has had with staff, Directors, Deans and Managers. But...the time has come to take a new direction in her life. Retirement will allow quality time with her two grandchildren, Kelly two and a half years and Cooper seven months, to travel the world and to work on some home renovations. Sally has said she will always work, be it on a volunteer basis, in a "little shop on Balboa Island," or by taking some classes, "as you can't let your mind atrophy." All in all it has been a wonderful ride and Sally thanks all who made it so.

9. Ratification of New Student Representative to the Board of Trustees

Friday, May 16, 2008, the Coast Community District Student Council confirmed the qualifications of Michael J. Battistone from Golden West College, to serve as the Student Representative to the District Board of Trustees, replacing Paul Bunch.

The District Student Council recommends ratification by the Board of Trustees so that Michael J. Battistone may assume the position of Student Trustee for the 2008-2009 academic year, with the term beginning June 1, 2008 through May 31, 2009. b. Authorization to Apply for Funded Programs and/or Projects

It is recommended that authorization be given to apply for the following funded programs and/or projects and to participate, if funded, as outlined below. It is further recommended that the Chancellor or Vice Chancellor of Administrative Services be authorized to sign any related documents as appropriate.

1. Coast Community College District has been awarded funding for the California Community Colleges Chancellor's Office SB70 grant titled "**Evaluation**". The District Office in collaboration with WestEd will receive funding to develop a System-wide evaluation of the Career Technical

Education/Economic and Workforce Development Pathways initiatives. The goal is to provide an in-depth review of how funded programs are working at the local level, their ongoing achievement of objectives and activities, and outcomes, and then inform interested stakeholders and policy makers of what is working, what areas need improvement, and recommend future funding needs. WestEd, through a subrecipient agreement with the District Office, will evaluate the impact of the SB70 initiative and those Career Technical Education/Economic and Workforce Development pathway grants funded through this initiative. All oversight of this grant and subrecipient agreement will be handled through the District Educational Services department. **(Previous Board Approvals: June 20, 2007; August 15, 2007; and February 6, 2008.)**

Fiscal Impact: Coast Community College District will receive \$874,028 between June 20, 2007, to and including May 31, 2009. **This grant has received a reduction of \$75,000, which decreases the grant from \$874,028 to \$799,028.** No matching funds required.

2. Coast Community College District has been awarded funding for the California Community Colleges Chancellor's Office Governor's Career Technical Education Initiative (SB70/SB1133) grant titled **"Career Technical Education Community Collaborative"**. The Coast Community College District is the lead administrative partner for this CTE Community Collaborative project. The key community college participants include Coastline Community College, Cypress College, Fullerton College, Golden West College, NOCCCD School of Continuing Education, Orange Coast College, and Saddleback College. Additional partners in the regional collaborative and the Career Pathways programs include business and industry representatives, county ROP's, the Orange County Workforce Investment Board along with secondary education specialists from middle and high schools which include Garden Grove, Huntington Beach, Newport-Mesa, as well as other local Orange County school Districts. The role of CCCD will be to foster a meaningful educational process among these entities that introduces a closer relationship with middle schools, the introduction of new goals and new assessment systems for measuring progress, provision of enhanced technical learning for faculty members, and the introduction of professional development programs and opportunities designed to strengthen the skills of all staff associated with this CTE-Community Collaborative program.

Fiscal Impact: Coast Community College District will receive \$369,700 between June 1, 2008, to and including January 31, 2010. There are matching funds of 10% required for this funding.

3. Coast Community College District has been awarded funding for the California Community Colleges Chancellor's Office Governor's Career Technical Education Initiative (SB70/SB1133) grant titled **"Career Technical Education Community Collaborative – STEM CTE Project"**. The Coast Community College District in partnership with the Orange County Department of Education will work to bring multiple local partners and initiatives in Orange County together to better coordinate and organize efforts in a focused effort to meet industry demands. The Orange County Department of Education, through a subrecipient agreement with the District Office, will develop three pilots 7-14 vertical integrated Professional Learning Communities to include Community College, ROP, and 7-12 faculty. Pilots will work together to create or expand a STEM related course of study; Create a strong STEM Community Collaborative with education, Non-governmental Agencies (NGO), and business representation; Update STEM/CTE course content 9-14 through a professional development series; and Pilot a 7-8 Career Exploration development and planning system.

Fiscal Impact: Coast Community College District will receive \$369,700 between June 1, 2008, to and including January 31, 2010. Matching funds of 10% required for this project.

4. Coastline College has applied for funding for the United States Department of Education grant titled **"Coastline Community College (CCC) Strengthening Institutions Program"**. Coastline College is seeking funding under the Title III Strengthening Institutions program to address four root problems: 1) declining in-district enrollments; 2) low semester-to-semester student persistence rates; 3) poor completion rates for A.A. degrees and occupational certificates; and 4) poor transfer rates to the UC and CSU systems. Coastline College will address these problems with one project activity that

embraces nine components, all directed towards a common goal of redesigning and expanding its educational programs and related student support services.

Fiscal Impact: If funded Coastline Community College will receive \$2,000,000 over five years from (\$400,000 per year from 2008-2009 through 2012-2013).

5. Coastline College has applied for a funding renewal for the Chancellor's Office – California Community Colleges Career Technical Education VTEA -1B grant titled **“Business/CIS Education Discipline – Leveraging Technology for a More Efficient and Effective Teaching and Learning Environment”**. Coastline College seeks a \$300,000 renewal of the Business Education Industry Collaborative grant it administers and facilitates for the Business Education Statewide Advisory Committee. The grant, which runs from July 1, 2008 to June 30, 2009, is funded by the State Chancellor's Office from its federal Vocational Training Education Act allocation. The grant funds a series of statewide staff development workshops and curriculum development projects; plus a major dissemination workshop at the Asilomar Conference Grounds. Individual faculty from various California colleges along with independent contractors will be paid to organize and conduct the grant's many activities. Mini-grants will be provided to California Community Colleges to promote curriculum development statewide. Private sector organizations frequently receive research contracts under this grant. This year a Strategic Plan for 2009-2012 will be developed which will include a SWOT analysis of the current system used by the collaborative.

Fiscal Impact: If funded Coastline Community College will receive \$300,000 between July 1, 2008, to and including August 31, 2009. No matching funds required.

c. Authorization for Disposal of Surplus Materials and/or Equipment

It is recommended that authorization be given for the disposal of the following surplus materials and/or equipment which are no longer of value to the using departments; disposal to be made by John Eriksen, Director of Purchasing, in such a way as to conform to the law and District policy and to bring the best possible return to the District.

State Board for Community & Technical Colleges (WA)

PSYCHOLOGY: THE HUMAN EXPERIENCE

WHYY, Inc. for CollegeAnywhere Consortium (PA)

TRANSITIONS THROUGHOUT THE LIFE SPAN

Texas Consortium for Educational
Telecommunications (TX)
WHYY, Inc. for CollegeAnywhere Consortium (PA)

Fiscal Impact: No direct cost to the District. Projected revenue unknown, depending on utilization of the telecourses by the lessees and number of students enrolled in the courses.

e. Approval of Clinical Contracts

After review by legal counsel, Rutan & Tucker, the College President, and the Vice Chancellor of Administrative Services, it is recommended by the Chancellor that authorization be given to enter into clinical contracts with the following institutions in connection with the various Allied Health programs which are a part of the Coast Community College District curriculum. (Only copies of non-standard agreements are attached to each Trustee's Agenda.)

ORANGE COAST COLLEGE

Lakewood Regional Medical Center
Lakewood, CA

Standard Clinical Affiliation Agreement

Dr. Lester Lim, DDS
Westminster, CA

Standard Clinical Affiliation Agreement

Nhan Hoa Comprehensive
Health Care Clinic, Inc.
Garden Grove, CA

Standard Clinical affiliation Agreement

Stanford University Medical Center
Stanford, CA

Non-Standard Clinical Affiliation Agreement
See attachment 16

It is further recommended that the Chancellor or Vice Chancellor of Administrative Services be authorized to sign such agreements.

Fiscal Impact: The District shall provide professional liability insurance and Worker's Compensation insurance for each student participating in clinical rotation. (For field experience agreements, the District

provides only Worker's Compensation insurance.) These coverages are in effect while the student is on-site at facility. However, District saves money by utilizing off-campus clinical and field experience training facilities.

f. Authorization for Purchase of Institutional Memberships

It is recommended that authorization be given for the following renewals of institutional memberships:

Coastline Community College

American Council on Education (ACE) – October 1, 2008 – September 30, 2009 - \$1,975

Membership affiliates the College with all institutions of higher education, bringing together other Washington-based higher education associations for a unified front on critical issues related to students. Membership to be paid from College funds.

Community College Leadership Development Initiatives (CCLDI) – July 1, 2008 – June 30, 2009 - \$1000

This partnership accords the College a strong and continuing role in shaping the academic preparation of its own leaders. It rests upon the commitment of the community colleges to identify its leadership needs and to actively support the fulfillment of these needs. The Institute will seek collaborative relationships with other enterprises and training programs that serve the community colleges. Membership to be paid from College funds.

Fountain Valley Chamber of Commerce – July 1, 2008 – June 30, 2009 - \$240

Membership will provide access to Chamber businesses to market and network the programs offered through Coastline Community College. Membership to be paid from College funds.

Orange County School Boards Association - (OCSBA) – July 1, 2008 – June 30, 2009 - \$125.00

The membership is important for trustee representation at the county level.

National Institute for State and Organizational Development (NISOD) – July 1, 2008 – June 30, 2009 - \$995.00

Membership is important to in-service education. Supports colleges' efforts in planning staff development, curriculum development, and innovative concepts. Supplements colleges' efforts in educational development.

Orange Coast College

The Association for Business Communication – May, 2008 – May, 2009 - \$80.00

Membership provides business faculty at Orange Coast College free access to business communication professional related journals and access to nationwide resources.

It is further recommended that authorization be given for the purchase of the following new institutional memberships:

Coastline Community College

California Council on Gerontology & Geriatrics (CCGG) - April 1, 2008 through March 31, 2009 - \$225

Membership will provide access to CCGG faculty development resources, networking and collaboration opportunities, and attendance at the annual meeting and three CCGG Board Meetings. The CCGG provides leadership in education in order to promote research, policy, and practices that enhance the quality of life of the State's diverse older population. Membership to be paid from Met Life Civic Venture Encore Career Grant funds.

Orange Coast College

Associated Collegiate Press (ACP) – 2008-2009 - \$139.00

Membership for the Orange Coast College's Coast Report writers, editors and advisors provides access to conventions, workshops, contests and general information important to college media. Additionally, membership is a means to stay current with myriad issues facing college journalists and faculty advisors.

Associated Collegiate Press (ACP) – 2008-2009 - \$139.00

Membership provides Orange Coast College's "152" magazine writers, editors and advisors access to conventions, workshops, contests and general information important to college media. Additionally, membership is a means to stay current with myriad issues facing college journalists and faculty advisors. Membership for the campus newspaper Coast Report is separate from the college magazine.

National Association Colleges and Employers (NACE) – July 1, 2008 – June 30, 2009 - \$400.00

NACE is the leading source of information on the employment of the college educated. Its mission is to facilitate the exchange of knowledge and insight among individuals and organizations focused on the career development and employment of the college educated. Membership is fundamental in OCC's grant development efforts.

g. Community Activities – Orange Coast College

The following not-for-credit classes will be advertised and offered by the Community Education Office during the period of June 19, 2008 – June 30, 2009. Payment to the presenter will be based on a negotiated fixed rate (F) or percentage of income based on course enrollment (P).

General Items of Business

1. Consideration of Coast Community College District Tentative Budget for 2008-2009

Background

The Tentative Budget (copy attached to each trustee's agenda) has been prepared as prescribed by Title 5 of the California Code of Regulations, Section 58191. Funding for the budget is based upon the latest information available as of May 30, 2008. Revenue figures for the tentative budget are based upon the May Revise from the State. The final figures will not be available until the Governor adopts the 2008-2009 budget.

Beginning Balance

The Tentative Budget beginning balance is estimated to be \$21,000,000 (including \$1,000,000 for various entities). The beginning balance could fluctuate up or down by as much as \$1 million. A firm figure for the beginning balance won't be available until the year-end close is completed in mid-July.

Revenue Estimate

Total 2008-2009 General Fund revenues are projected to be \$219,320,563. This estimate includes Federal and State restricted funds that may or may not materialize, requiring further adjustments prior to the adoption of the Final Budget. The revenue estimate includes 0% COLA as projected in the Governor's May Revise and 2007-2008 growth funds of \$2.8 million.

Expenditure Estimate

The Tentative Budget includes \$919,273 for new faculty positions and \$848,174 for step and column increases; the budget does not include salary increases for any employee group.

Health and Welfare benefit costs increased to \$12,500 per employee due to rising health care costs. This added \$1,300,000 to the unrestricted general fund expenditure budget. These costs may increase for the adopted budget once the final renewal rates are received. The PERS contribution rate remained at 9.306% for the Tentative Budget.

Undistributed Reserve

The Tentative Budget presents a Reserve for Contingencies of \$16,000,000, with an additional \$2,000,000 in the stabilization reserve.

After review by the Chancellor and the Vice Chancellor of Administrative Services, it is recommended that the Tentative Budget for 2008-2009 be adopted. See Attachment 19

2. Authorization of District Contribution to Fee Study of the Orange County Sanitation District

After review by the Administrative Director of Fiscal Affairs, it is recommended by the Vice Chancellor of Administrative Services that the Board of Trustees authorize a contribution of \$2,500 to pay the cost of an initial determination of the legality of fees charged to the Coast Community College District by the Orange County Sanitation District. (See Attachment 15)

Fiscal Impact: \$2,500

4. Suspension of District Fiscal Year 2007-08 Ending Balance Transfers to Joint Powers Agency and Other Financial Matters for Ninety (90) Days

Vice Chancellor Brahmhatt's Memorandum of May 27 describing budget uncertainties related to the State budget crisis is a warning of what could befall the District. It would be prudent, this budget cycle, considering the nature of our state finances, to have a better grasp on budgeted surplus or automatic roll over funds that this Board may have to consider to backfill the District's operations. This Board should be so advised with sufficient time if there are specific timeframes or due dates by which decisions have to be made.

We have not chosen to be in this situation. Our Fiscal staff has done a good job with operational monies, but it is imperative that the full Board of Trustees make the hard decisions by having timely information and flexibility to provide sufficient resources for the classroom.

Given current economic realities, it is recommended by Trustees Moreno and Patterson that the Board of Trustees suspend any GASB 45 payments from FY 2007-08 ending balance totals to the Joint Powers Agency (JPA) for ninety (90) days. It is also recommended that any other end of the year financial transactions, or account transfers (which the Board must approve by Resolution, pursuant to California Code of Regulations Section 58307), be held in abeyance until the resolution is presented to the Board for approval. The purpose of this action is to ensure that the Board finds that adequate funds are available to the District for the start of Fiscal Year 2008-09, as well as to provide for funds to support year end fiscal needs and recommendations.

It is further recommended that any and all financial transactions delegated to staff through Board policy, or previous Board action, be identified by staff and presented to the full Board of Trustees, in a public meeting, for review and consideration before final actions are taken, pending review of the State budget's impact on the District.

It is also recommended by Trustees Moreno and Patterson that the Vice Chancellor of Administrative Services report back to the full Board on this matter at the August 20, 2008 Board of Trustees Meeting with a plan outlining the above mentioned actions as matters related to the State final budget. After final budget accounts are calculated, any remaining surplus funds, beyond operational needs, can then be considered by the Board for appropriate disposition.

Given these circumstances, the Board of Trustees should preserve all possible flexibility and options to make certain student and district needs are fully addressed since this year's state budget may not be finalized by the beginning of the new fiscal year.

5. Approval of Transfer of Funds

The Vice President of Administrative Services (OCC), with concurrence of the President, recommends the transfer of \$900,000 of college unrestricted funds from the expected ending balance to the Capital Outlay Fund for the purpose of supporting defined construction projects on campus.

6. Authorization to Contract with Sigmanet to Provide Integrated Information Technology (IT) Infrastructure Solutions and Services for Golden West College Utilizing the Department of General Services, (CMAS) California Multiple Award Schedule

Public Contract Code 20652 provides authority for the governing board of any community college district without advertising for bid, the use of other public agencies contracts for the purchase of equipment when the board has determined it to be in the best interest of the district.

Sigmanet has extensive experience with information technology (IT) planning, project management, implementation and support. Sigmanet will assure compatibility with District IT standards by reviewing the project designs and provide highly qualified staff to install and support Cisco network equipment within the Golden West College Health Science Building.

After review by the technical staff from Golden West College, Director of Facilities and Planning and the Vice Chancellor of Administrative Services and in the best interest of the District, it is recommended that the Board of Trustees authorize the Director of Purchasing to issue a purchase orders utilizing the CMAS contract #3-07-70-2486B to Sigmanet.

7. Authorization to Contract with M.S. Rouse Company Utilizing the E & I Corporative Contract, Orange Coast College Classrooms and Office Upgrade

Public Contract Code 20118 and 20652 provides authority for the governing board of any community college district without advertising for bid, the use of other public agencies contracts for the purchase of equipment when the board has determined it to be in the best interest of the district.

Orange Coast College has been using Bentley Prince Street recycled carpet and floor covering products as the campus standard for more than 10 years. M.S Rouse is the authorized local dealer for Bentley Prince Street. Bentley products have proven to stand up to heavy classroom usage and are easy to maintain, repair and/or replace.

After review by the Vice President of Administrative Services, Director of Facilities and Planning and the Vice Chancellor of Administrative Services and in the best interest of the District, it is recommended that the Board of Trustees authorize the Director of Facilities and Planning to issue purchase orders to M.S utilizing the E and I Cooperative Contract.

8. Appointments to Citizens' Oversight Committee to Fill Vacant Positions

At the Board of Trustees' meeting on February 19, 2003, the Board approved the initial members of the Citizens' Oversight Committee by the Adoption of a Resolution of the Board of Trustees of the Coast Community College District establishing a Citizens' Bond Oversight Committee, Approving Form of Bylaws Therefore and Appointing Members Thereto, under Section 5.

Based on the bylaws, committee appointments will now be made for the following vacant position: Student Representative.

It is recommended by the Chancellor that the following appointee be approved to serve on the Citizens' Oversight Committee:

- (1) Jereme Van Dal, Student representative to fulfill the one-year term of service vacated due to the term expiration of Jeri Elder, ending March 2009.

Fiscal Impact: None to the District

Policy Implementation

1. Adoption of District Fee Schedule – Policy 030-1-5

Education Code Section 76355 provides the governing board of a community college district the option of increasing the student health services fee by the same percentage as the increase in the Implicit Price Deflator for State and Local Government Purchase of Goods and Services.

Based on calculations by the Department of Finance, the Implicit Price Deflator Index has now increased enough to support a two dollar increase in the student health fees. Effective with the Fall Session 2008, Golden West College and Orange Coast College will begin charging a maximum fee of \$16.00 per semester, \$13.00 for summer session. Student health fees for Coastline College will remain at \$7.00 per semester.

This change to Board Policy 030-1-5 has been agreed upon by both Golden West College and Orange Coast Colleges. It is recommended by the Chancellor that the Board review the proposed changes to Policy 030-1-5. The Board reviewed this item at the May 7, 2008 meeting.

2. Adoption of Catastrophic Leave Policy for Certificated and Classified Managers

After review by the Coast District Management Association and the Vice Chancellor of Human Resources, it is recommended by the Chancellor that the Coast Community College District offer a Catastrophic Leave-Sharing Program for managers. The Program allows Certificated and Classified Managers a chance to support their colleagues who are facing a qualified personal crisis, whether their own or that of an immediate family member. The Program allows managers to provide assistance in the form of donated accrued vacation leave. While the program establishes a mechanism for vacation donations, participation is entirely voluntary. The Program also provides for policies for requests, bank replenishment, and on-going duties.

This proposed policy is placed on the Green Pages for Board consideration given that a similar item with identical provisions was approved previously for Classified Staff.

GENERAL PERSONNEL POLICIES

(Employment Principles)

050-1-22

Approved XX/XX/XXXX

CATASTROPHIC LEAVE-SHARING POLICY FOR MANAGERS

A. Purpose. The Coast District Management Association would like to create a Catastrophic Leave-Sharing Program to give managers a chance to support their colleagues who are facing a qualified personal crisis, whether their own or that of an immediate family member. The program allows managers to provide assistance in the form of donated vacation leave. While the program establishes a mechanism for leave transfers, participation is entirely voluntary.

B. Catastrophic Illness or Injury Defined. Catastrophic illness or injury means an illness or injury that has been diagnosed, by a physician licensed to practice within the scope of his license, as life-threatening and expected to incapacitate the manager for an extended period of time, or that is life-threatening and incapacitates a member of the manager's immediate family in instances, requiring the manager to take time off from work for an extended period of time. In qualified instances relative to care for the family member, this leave would be used when taking extended time off from work creates a financial hardship for the manager because he or she has exhausted all his/her allotted sick leave for such purposes and other paid leave options such as use of accrued vacation time. Immediate family members are defined in the proposal to include only: the manager's spouse or registered domestic partner, children (under age 26, unmarried, and dependent on the manager for at least 51 percent of his/her support or legal dependents), and parents.

C. The Donating Manager must:

- be a manager of the Coast Community College District.
- have accrued sufficient vacation leave to cover the donation (leave may not be donated prior to accrual).

D. The Receiving Manager must:

- be a manager of the Coast Community College District.
- have exhausted all paid leave earned pursuant to the applicable personnel policies covering vacation, sick leave, and compensatory time off.
- not be currently receiving benefits from other disability compensation (short-term disability, long-term disability, workers' compensation).

E. Nature of Donations. Donations must:

- be of accrued vacation leave only;
- be anonymous;
- be entirely voluntary;
- be a minimum of eight hours (1 day) or more of the donor's accrued vacation leave.
- Not deplete a manger's accrued vacation for the sake of making a donation to the catastrophic leave bank.

F. Establishing the Bank and Collection Deposits.

- There will be an initial call from the District Human Resources with the assistance of the CDMA for donations to establish the bank.
- There will be subsequent regular and periodic calls for donations from CDMA.
- There will be calls for donations when the bank balance falls below 1200 hours.
- Donations from those eligible to donate will be accepted at any time.
- Forms will be available from District Human Resources and the CDMA website.

G. Review and Oversight.

- Applications for Catastrophic Leave will be reviewed by a task force comprised of three (3) managers appointed by CDMA and District's Manager of Benefits as well as the Vice Chancellor of Human Resources or his/her designee.
- The task force will recommend approval or denial of catastrophic leave for a manager.
- To safeguard privacy, neither the name of the individual requesting the time nor the diagnosis will be shared with the full committee. Rather the Manager of Benefits will receive the applications and doctor's verification and will present the relevant facts to the full committee for review and approval/denial.

H. Catastrophic Leave Processes: The Receiving Manager's Application:

- The requesting manager must submit a written request for Catastrophic Leave to the Office of Human Resources for the manager's own medically certified "serious, life threatening health condition" or the medically certified "serious, life threatening health condition" of the manager's immediate family.
- The application must be accompanied by a physician's statement that documents that a serious, life threatening illness/injury exists and estimates the duration of the illness/injury.
- The applicant must not be currently receiving benefits from other disability compensation (short-term disability, long-term disability, workers compensation).

I. Length of Leave.

- The Catastrophic Leave Committee will approve allotments which will be minimally 10 working days (80 hours) and not to exceed 20 working days (160 hours), pending additional review and not less than 8 hours at a time.
- A new request must be submitted to the Catastrophic Leave Committee for hours in excess of 20 working days (160 hours). Continuation of catastrophic leaves must have an updated doctors' report.

J. Processing of Leave Donation.

- A completed donation form must be signed by the donor and submitted to the Office of Human Resources.
- Initial donations to the Catastrophic Leave bank must be greater than or equal to eight (8) hours (1 day).
- **Once leave is donated, it becomes the property of the bank until the Catastrophic Leave Committee authorizes its allocation to an applicant. Donation is completely voluntary. Managers are cautioned to consider their own present and future needs when determining how many hours to donate.**
- Time is transferred on an hour for hour basis without regard to the salary of either the donor or the recipient.

K. Termination of Catastrophic Leave.

- The recipient receives any type of disability pay (short-term disability, long-term disability, workers' compensation).
- The recipient terminates employment with CCCD.
- The need no longer exists (based on physician's recommendation).
- The bank runs out of hours.

L. Termination of Catastrophic Leave Program

- The hours in the bank will continue to be available based on the approved policies until the hours are depleted.

Resolutions

1. Adoption of Resolution Authorizing Payment to Trustee Absent from Board Meeting

WHEREAS, California Education Code Section 72425 provides that “a member (of the Board of Trustees) may be paid for any meeting when absent if the Board by Resolution duly adopted and included in its minutes finds that at the time of the meeting he or she is performing services outside the meeting for the community college district, he or she was ill or on jury duty, or the absence was due to a hardship deemed acceptable by the Board”; and

WHEREAS, on May 21, 2008 the Board of Trustees of the Coast Community College District held a Special Board meeting; and

WHEREAS, Trustee Jerry Patterson was not present at the Board meeting; and

WHEREAS, the Board has determined that Trustee Patterson’s absence was due to illness;

NOW, THEREFORE, BE IT RESOLVED, that Trustee Jerry Patterson shall be paid at the regular rate of compensation for the Board meeting on May 21, 2008.

2. Amendment to Resolution of May 7, 2008 Authorizing the Request for Proposals to Lease 3.73 Acres of District Property Located at 1370 Adams Avenue, Costa Mesa, California (RFP #1951)

After review by District Risk Services, the Vice Chancellor of Administrative Services, and legal counsel, Craig Hardwick (*Adorno Yoss Alvarado & Smith*), it is recommended by the Chancellor the board amend the Resolution of May 7, 2008 authorizing the Request for Proposals (RFP #1951) for the purpose of extending the sealed proposal submission deadline to 4:00 p.m. on July 9, 2008. Further, the opening date for all proposals received is to be extended until July 10, 2008 at 10:00 a.m. Finally, any award of the most responsive proposal or rejection of all proposals shall be determined by Board action on July 16, 2008 at about 6:30 p.m. All other provisions within the May 7, 2008 Resolution and RFP #1951 shall remain as published.

Fiscal Impact: Advertising costs of approximately \$75 for publication of the amendment in a newspaper of general circulation pursuant to Public Contracts Code.

3. Authorization for Approval and Submission of the 2010–2014 Five-Year Construction Plan; Orange Coast College, Golden West College, Coastline College, and the District

The Board, at their meeting of August 1, 2007, approved staff’s recommendation to renew the District’s agreement with Cambridge West Partnership, LLC for: 1) Formulation and submittal of the Five-Year Construction Plan (5-YP) and 2) pursuit of an aggressive program to attract additional revenues for facility development through State funding opportunities. To this end, Cambridge West Partnership has been working with the District administrative staff and the three colleges to develop the current 2010-2014 5-YP, a summary of which is included.

This year's 5-YP features a total of 21 projects. Four of these projects will be deleted during the upcoming year as "completed". A total of 17 remaining and new capital construction projects have been identified that represent the District's intentions for new or remodeled construction over the next five years. These projects reflect the current building/facility programs of the District's three colleges – Coastline, Golden West and Orange Coast.

Specific to this year's 5-YP, and as a direct funding requests to the state, are two Final Project Proposals (FPP's) totaling \$73,172,000:

- Science/Mathematics Building (Golden West College – a \$54,844,000 project of which 70% is being requested for funding by the State)
- Chemistry Building Remodel/Expansion (Orange Coast College – an \$18,328,000 project of which 75% is being requested for funding by the State).

Additionally, the following Initial Project Proposals (IPPs) totaling \$30,914,514 has been submitted to the State for the current cycle:

- Criminal Justice Complex (Golden West College – a \$15,683,000 project with a request for 60% State funding
- Maritime Academy (Orange Coast College – 6,058,000 project with a request for 100% State funding);
- Learning Resource Center (Coastline College – 9,173,514 project with a request for 100% State funding)

Since the District's aggressive campaign to leverage State dollars was undertaken in 2006, a total of \$132,570,514 has been requested from the State. Of this amount, \$55,799,000 has been approved; the remaining \$76,771,514 will be taken under consideration as a result of the FPP and IPP submittals for the current funding cycle.

As reviewed by the Director of Facilities and Planning and the Vice Chancellor of Administrative Services, it is recommended by the Chancellor that authorization be given for approval and submittal of the Coast Community College District's 2010-2014 Five-Year Construction Plan to the California Community Colleges State Chancellor's Office.

Approval by the Board is being requested so that all related documents can be formally registered with the Office of State Chancellor. It is further recommended that the Chancellor of the District be authorized to sign these documents.

Fiscal Impact: No Impact

Master Plan: This is in accordance with the District's Master Plan

4. Approval of Resolution to Participate in the State Capital Outlay Program Budget Year 2010-2011

The District has received instructions from the California Community College Chancellor's Office for submitting Final Project Proposals (FPP) for 2010-2011 State Capital Outlay Program. Final Project Proposals are statements of need, intent, scope, justification, estimated costs and project schedule. The District supports submittal of the Final Project Proposal listed below for this funding cycle:

**Golden West College Science/Mathematics Building
New Construction of 74,236 Assignable Square Feet**

WHEREAS, Coast Community College District hereby requests State Funds in the amount prescribed by law for the project named herein.

WHEREAS, Coast Community College District hereby assures the Board of Governors of the California Community Colleges that: (a) Pursuant to the provisions of Section 57001.5 of Title 5 of the California Code of Regulations no part of the application includes a request for funding the planning or construction of dormitories, stadiums, the improvement of sites for student or staff parking, single-purpose auditoriums or student centers other than cafeterias. The facilities included in the proposed project will be used for one or more of the purposes authorized in 57001.5 of Title 5. (b) Any State funds received pursuant to this application shall be used solely for defraying the development cost of the proposed project. If the application is approved, the construction covered by the application shall be undertaken in an economical manner and will not be of elaborate or extravagant design or materials, (c) Pursuant to the provisions of Section 81837 of the Education Code, approval of the final plans and specifications for construction will be obtained from the Board of Governors of the California Community Colleges before any contract is let for the construction. (d) No changes in construction plans or specifications made after approval of final plans which would alter the scope of work, function assignable and/or gross areas, utilities, or safety of the facility will be made without prior approval of the Chancellor's Office of the California Community Colleges and the Department of General Services, Department of State Architect. (e) Pursuant to the provisions of Section 57001 of Title 5 of the California Code of Regulations, an adequate and separate accounting and fiscal records and accounts of all funds received from any source to pay the cost of the proposed construction will be maintained, and audit of such records and accounts will be permitted at any reasonable time during the project, at the completion of the project, or both. 8. Review of Internal Audit Report

The following Activity Report for the period January 1, 2008 through March 31, 2008, is submitted by: Richard Kudlik, CPA, Director of Internal Audit Services.

A.STATUS OF AUDIT WORK PERFORMED DURING THE QUARTER ENDED MARCH 2008

1. **Change Fund Audit** – During the reporting period, Internal Audit Services performed random counts of change funds at all of the campuses. No issues were noted.
2. **Review of Bank Reconciliations** – During the reporting period, Internal Audit Services reviewed account reconciliations for open bank accounts for the quarter ended December 2007. No significant issues were noted.
3. **GASB 35 Facilitation (Capital Assets)** – During the reporting period, Internal Audit Services tested the procedure to track fixed assets for capital assets purchased exceeding the \$5,000 threshold previously set.
4. **Construction Project Audits** – During the reporting period, Internal Audit Services regularly attended three (3) weekly construction project meetings and others as requested, at all campuses to ensure proper compliance with District procedures and state requirements.
5. **Longevity Audit** – During the reporting period, Internal Audit Services selected a random sample of classified managers and staff and verified that the appropriate requirements have been met to earn longevity pay. No issues were noted and minor recommendations have been made to improve the process.
6. **Spring Student Enrollment** – During the first week of classes, Internal Audit Services along with the Director of Purchasing provided support to the Admissions and Records office at Golden West College to ensure that students were able to apply for admission and enroll in courses for the Spring Semester.
7. **GASB 45 Actuarial Analysis** – During the reporting period, Internal Audit Services began to coordinate the retiree health benefit liability analysis with the actuary in accordance with the requirements of GASB 45. The study will be completed as of June 30, 2008 to coincide with the external audit report date.
8. **Coordination of External Audit** – During the reporting period, Internal Audit Services worked with Macias, Gini & O'Connell LLP to revise the District 2006/2007 audit report to meet the System Office requirements, and finalized the GO Bond and OCC Foundation audits. Internal Audit Services also began planning the upcoming audit of Vicenti, Lloyd & Stutzman LLP for fiscal year 2007/2008.
