If changes are made to the Code, the Board shall submit the amended Conflict of Interest Code to the Orange County Board of Supervisors. CONFLICT OF INTEREST CODE FOR THE COAST COMMUNITY COLLEGE DISTRICT

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Sec. 18730) which contains the terms of a standard conflict of interest code, which may be incorporated by reference in an agency's code. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories shall constitute the conflict of interest code of the District.

Designated employees (See Appendix A) shall file FPPC Form 700 with the District's Political Reform Act Filing Officer, the Secretary of the Board, who will make the forms available for public inspection and reproduction (Government Code Section 82008).

Once the completed Form 700 is received from the Board Members, District General Counsel, Chancellor, Vice Chancellor of Finance and Administrative Services, and Secretary of the Board, the District's Secretary of the Board shall make and retain a copy and forward the original of these forms to the Clerk of the Orange County Board of Supervisors as the Filing Officer for these designated positions. The individuals in these positions may also file their Form 700 online directly with the Clerk of the County of Orange, in which case the District's Secretary of the Board will obtain copies to be retained in the Board Office.

Statements for all other designated employees will be retained by the District's Filing Officer. The other designated employees do not need to file Form 700 with the Clerk of the County of Orange.
