BP 2350 Speakers at Board Meetings

References:

Education Code Section 72121.5;
Government Code Sections 54950 et seq.

Persons may speak to the Board either on an agenda item or on other topics that are within the subject matter jurisdiction of the Board. At Special Board Meetings, however, the public has a right to speak only on agenda items.

Public Comment relating to an item on the agenda, including those on the consent agenda, shall be heard before a vote is called on the item.

Persons wishing to speak to matters not on the agenda shall do so at the time designated at the meeting for public comment.

All speakers shall complete a written request to address the Board. Speakers who wish to address subjects on the agenda may submit request cards any time during the meeting and may address the Board at the time that item is discussed.

Individuals having requested in writing to speak on a given agenda item will be recognized before the President of the Board calls for a vote on that agenda item.

The Board may require an individual addressing the Board to give their complete name, as well as the name of the group or organization that they represent, if any. It shall not be necessary, however, for any individual to register their name or provide any other information as a condition to attendance at a meeting.

Each person addressing the Board will be allowed three minutes per agenda item or non-agenda topic unless the time limit is waived by unanimous consent or by a majority vote of Board members present. The decision to extend or shorten the time limit for each speaker will be governed by the extent of the agenda and the number of individuals requesting to be heard. Twenty minutes shall be the maximum time allotment for public speakers on any one agenda item or non-agenda topic regardless of the number of speakers at any one Board meeting. At the discretion of a majority of the Board, this time limit may be extended.

For those persons or organizations who wish to address the Board on more than one agenda item, the Board reserves the right to limit the total time for public comments by that person or organization to no more than 15 minutes per meeting.

Board members and the Chancellor cannot pose questions or make comments in response to the speaker's remarks.

Those wishing to speak to the Board are subject to the following:

- The President of the Board may rule members of the public out of order if their remarks do not pertain to matters that are within the subject matter jurisdiction of the Board or if their remarks are unduly repetitive, or if the remarks do not pertain to an agenda item at Special Board meetings.
- Employees who are members of a bargaining unit represented by an exclusive bargaining agent may address the Board under this Policy, but may not attempt to negotiate terms and conditions of their employment. This Policy does not prohibit any employee from addressing a collective bargaining proposal pursuant to the public notice requirements of Government Code Section 3547 and the policies of this Board implementing that statute.
- The request to address the Board shall include the person's name and name of the organization or group represented, if any, and a statement noting the agenda item or topic to be addressed.
- No member of the public may speak without being recognized by the President of the Board.
