Nonresident students shall be charged nonresident tuition for all units enrolled, unless otherwise provided in law.

Not later than March 1 of each year, the Chancellor shall bring to the Board for approval an action to establish nonresident tuition for the following fiscal year. The fee shall be calculated in accordance with guidelines contained in applicable state regulations and/or the California Community Colleges Budget and Accounting Manual.

The Chancellor shall establish procedures regarding collection, waiver, and refunds of nonresident tuition.

The Chancellor is authorized to implement a fee to be charged only to persons who are both citizens and residents of foreign countries. The Board finds and declares that this fee does not exceed the amount expended by the District for capital outlay in the preceding fiscal year divided by the total full-time equivalent students (FTES) in the preceding fiscal year.

Students who would otherwise be charged this fee shall be exempt if they meet the exemption criteria in AP 5020 Nonresident Tuition.

See AP 5020 Nonresident Tuition.
