BP 5905 Student Clubs and Organizations

References:

Education Code 32050, 32051, and 76035

The District encourages the formation of special-interest student clubs and organizations for educational and social benefits. The District shall staff advisors for such student groups, and may grant these groups official District recognition and campus privileges (meeting places, use of the District's internal mail system, listing on District activity schedules, etc.).

The District shall not sponsor, and shall not grant official recognition or campus privileges to any student club, fraternity, sorority, or other student organization that maintains secrecy about its purpose, organization, or membership, or that engages in hazing or that proclaims and subscribes to a purpose inimical to District fulfillment of responsibilities assigned to the District by the Education Code.

Each student club or organization shall comply with District rules established by the Chancellor concerning application for District recognition, and concerning the conduct of club and organization affairs.
