BP 6530 District Vehicles

References:

None

The Chancellor or designee shall adopt procedures to ensure that each person required by their job to drive a District-owned or District-leased vehicle shall maintain a safe driving record. An employee's compliance with such procedures shall be a condition of their continued driving of District vehicles.

Clearance to drive District-owned or District-leased vehicles requires the District employee to have in their possession a current valid California driver license. See also BP/AP 4300 Field Trips and Excursions.
