**BP 6535 USE OF DISTRICT EQUIPMENT**

**References:**

Education Code Sections 70902, and 81550 through 81553

District property or equipment shall not be loaned to any individual or any organization for private use. District property or equipment may be loaned to other school districts or to public agencies only in accordance with law. Such loans, in reasonable amounts and for reasonable periods, shall be the responsibility of the Chancellor following recommendation by one or more of the college presidents or the Chief Business Officer.

Adopted September 3, 1986
