Education Code Sections 81005 and 81820;
Title 5, Sections 57150 et seq.

The Chancellor is responsible for planning and administrative management of the District's capital outlay and construction program.

District construction projects shall be supervised by the Chancellor. The District shall monitor the progress of all construction work, including inspection of workmanship, completion of work to meet specifications, and the suitability of proposed changes to the scope and original design of the work. The District shall assure compliance with laws related to use of state funds to acquire and convert existing buildings.

The Board shall approve and submit to the Board of Governors a five-year capital construction plan as required by law. The Chancellor or designee shall update the plan annually and present it to the Board of Trustees for approval. The plan shall address, but is not limited to, the criteria as required by law.
