Education Code Sections 72401 and 88249

The wealth of experience available in the community is a resource that can be used in appropriate ways to enrich the educational programs and to strengthen the District's relationship with the community. The Chancellor or designee may authorize the services of volunteers as requested by the College, in accordance with the District's Administrative Procedures. Volunteers are not to be used to displace employees or to be used as a substitute for an absent employee. Volunteer assignments are those which supplement and enrich the programs of the District.
