BP 7914 Evaluation

References:

Accreditation Standard III.A.1.b;
Education Code 87660, 87661, 87662, 87663, and 87664

The District employs managers, faculty, and staff who are dedicated to providing educational experiences, intellectual insights, and exemplary support services necessary to optimize student potential and facilitate achievement of individual goals for the success of the educational community.

In order to attain the highest level of performance necessary to meet the goals and objectives of the District, the Chancellor shall assure periodic and systematic evaluations of all educational and classified managers; regular, contract, and part-time faculty members; confidential employees; and classified employees. Such evaluation procedures for administrators shall include, to the extent possible, faculty in the peer evaluation process.
