The Board will look into the pros and cons for land development within the District. Additionally, there was a talk about the bond funds to be co-mingling. Once Measure C's fund diminished, Measure M's fund will take into effect. There are some updates from each school such as the Veteran Center in OCC, computer update at GWC and some fund will be provide to CCC Newport Center. The Student Trustee will be attending the General Assembly hosted by SSCCC, with that he will look into some update about CCCAST quorum system and reflect it to match somewhat with SSCCC itself.

The BP 2018 has been final through the Chancellor's Cabinet. However, it will still need to be re-number.

AP 2105 has been raised with some concerned by members of the Board.

Ashley gave an update and a quick de-brief of the bills that the DSC AB 13 and SB 290 are now similar. Can give position up to the point the Governor sign it, at any point the DSC can give position on bill that is on the floor. Policy Committee will tailor on specific task such as higher education. Quick update: AB13 pass out of higher education and will be in appropriation next. In past years similar bills have not been past in appropriation, but keep in mind that we should take support in any bill that the DSC support. AB 447 has been though its policy committee. V. Unfinished Business

V.01 Board Policy and Administrative Procedure 2105

Concern brought up was the interim drawing by lot and the DSC Advisor chairing the meeting when the DSC Student Trustee position is vacant. From Dr. Parham's perspective is the procedure itself is too rigid and there is no flexibility to go around it. The current council should review and set a president so the policy can be pass on to the next Student Trustee and DSC.

V.02 Student Spotlight Initiative

The ad-hoc committee drafts an application process for the initiative and came up with some recommendation for incentive: bond, plague, picture at perspective college and district. A concerned that was brought up was; should the GPA be district wide or only the school.

On a motion by Christopher Abinader and a second by Juan Valenzuela moved to establish a cumulative GPA requirement, units complete, and units enrolled to a one-college system. Motion passes. Yay – 4. Nay – 2. Abstain - 0
