# Golden West College Instructional Program Review 2023

The data provided in this Instructional Program Review Dashboard is to assist instructional departments in the completion of Program Review, the primary mechanism by which GWC identifies the objectives and resources needed to fulfill its educational mission and goals. It is also an opportunity for each department to document and share plans for improving student success. Participation in the Program Review process is vital and related to resource request allocation meant for additional funding for one-time requests, classified positions, faculty positions, or facilities requests.
