

EQUITY WALK

Friday, November 3rd

12:30 am – 1:30 pm

Location: Center for Innovation and Learning, Student Union 201

No Sign Up Required

The DEIA Committee has drafted the plan and created posters to highlight the recommended actions. An Equity Walk is an opportunity to see those posters and interact with members of the committee to give your feedback. It's an awesome way to have an interactive experience with the plan and discuss the different parts. Lunch is provided!
