BREAKOUT SESSION 1

CLASSROOMS IN LANGUAGE ARTS COMPLEX

12:10 – 1:10 pm

AB928: How to Meet the Legislative Mandates (*Counselor Only Session*)

Presenters: Heather Antunez and Dr. Yvonne Portillo

Location: LAC 101

Session Description: AB928 requires that students with a goal of transfer will need to be placed on an ADT where one exists, unless the ADT doesn't match the student's educational goal(s). This workshop, designed specifically for counselors, will focus on the requirements of this legislation,

the department process for in-reach to students, aligning course sequencing to multiple legislative requirements, and the documentation of the ADT "opt out" process.

• AB928 - Fall FLEX Day 2024 [PDF] (../Links/pdf/flex-day/ab928.pdf)

Canvas Studio: A Hands-On Workshop

Presenter: Dr. Sheryl Hathaway

Location: LAC 103

Session Description: Join us for an interactive session exploring Canvas Studio, a new media tool enhancing student engagement and creativity within our Canvas LMS. This workshop will provide you with practical skills to integrate video content seamlessly into your courses. Note: Canvas Studio doesn't replace CCCD Panopto (our primary video platform). Instead, the media/communication tool is an alternative platform purchased by the California Community Colleges Chancellor's Office (CCCCO) California Virtual Campus-Online Education Initiative (CVC-OEI) for the entire CCC system.

What You'll Learn:

- Create and edit videos directly within Canvas
- Embed interactive elements in your videos
- Use Canvas Studio in Discussion Boards to boost student participation

What to Bring: Your own device (BYOD) with Canvas access. No additional software required.

• Canvas Studio Flex Day Course (https://coastdistrict.instructure.com/enroll/ETBRFT)

Copyleaks Training Session

Presenter: Laina Haymes, Copyleaks Customer Success Manager

Location: LAC 109

Session Description: Copyleaks is a Plagiarism and AI detection tool that can be added to all Canvas Assignments. In this session, we are going to walk through how to enable the tool, how to interpret a Copyleaks scan report and how to use Copyleaks Analytics.

What to Bring: Your own device (BYOD).

Humanizing LGBTQ+ Experiences

Presenter: Jeanette Adame

Location: LAC 102

Session Description: The session explores the lived experiences of LGBTQIA+ students in the California Community College system. Participants will discuss first-hand LGBTQIA+ student experiences, and the ways we can actively create a better higher education experience for students with diverse gender and sexuality identities at Golden West College.

The first-hand experiences that this session will discuss are available below before FLEX Day. Those interested in attending are encouraged to review them before attending, however, previews are not required.

PASS Program Pilot

Presenters: Dr. Erin Craig and Ayesha Zia

Location: LAC 104

Session Description: This session is designed to prepare our AB 1705 English and math instructors who are part of the Fall 2024 pilot for the program. Program structure, pass leader logistics, and collaborative planning time with your PASS leader will take place during this session. Although this session is designed for the faculty participating in the pilot program, it is open for all faculty who are interested in learning more about the program.

Supporting Student Success: Mental Health at GWC - Part 1

Presenter: Kyle Smith, M.S., LMFT

Location: LAC 105

Session Description: The mental health needs of our students have never been more important. Often, faculty and staff are the first people to whom students display or disclose their symptoms. These encounters can be overwhelming especially when our desire to help is greater than our capacity to help. This workshop aims to help you cultivate the knowledge and concrete skills to

stand with our students-in-need when they are most vulnerable. We'll cover how to spot when mental health is interfering with academics, some in-the-moment interventions, preventative measures like helpful syllabus language, and how to tell when it's time to call in more help.

1:20 – 2:25 pm

Admin Wing Update

Presenters: Rick Hicks and Stephanie Martinez

Location: LAC 102

Session Description: Please join us for a collaborative update and review of campus facilities, GWC budget and safety. A presentation will be followed by a question-and-answer session.

Copyleaks Training Session

Presenter: Laina Haymes, Copyleaks Customer Success Manager

Location: LAC 109

Session Description: Copyleaks is a Plagiarism and AI detection tool that can be added to all Canvas Assignments. In this session, we are going to walk through how to enable the tool, how to interpret a Copyleaks scan report and how to use Copyleaks Analytics.

What to Bring: Your own device (BYOD).

Curriculum Workshop

Presenters: Jennifer Bailly, Nicole Diamond, Gary Kirby, and Charissa McCord

Location: LAC 107

Session Description: Have questions about curriculum or have curriculum revisions to submit? Bring your laptops and attend our curriculum working session. A brief presentation on legislative updates and campus priorities for curriculum will be followed by an open Q&A and time to work on curriculum revisions.
