

MAP (My Academic Plan) will help you:

- Complete Self-Placement for MATH and ENGLISH
- Select some of your General Education courses
- Identify your Major/Career goals
- Get your Counselor-approved academic plan for your first semester!

You will need your GWC Username and Password for your **MyGWC Portal**.

Once you submit MAP, Counselors will begin building your first semester plan.

Access your Student Email; you can expect an email from Counseling when your Education Plan is ready to view in Degree Works (within 48 hours Monday - Friday). If you have submitted your MAP but are not seeing a current plan in Degree Works within 48 hours, **please contact Counseling**.
