...

GWC's thoughts are with those impacted by the ongoing Los Angeles wildfires ❤️

The College offers multiple resources to students during this difficult time:

1. @goldenpride_gwc is collecting items to donate to victims of the L.A. fires. Donation boxes are located in the Learning Resource Center and will be accepted on an ongoing basis.
2. Students have free access to [@timelycare](#), a virtual health and well-being platform available 24/7. You can download the app at timelycare.com/goldenwest.

Additionally, the Student Senate for California Community Colleges is offering a Disaster Relief Fund Scholarship to assist students during these challenging times. Any California community college student impacted by the fires can apply through the link in our bio.

If you have an immediate need, students are encouraged to contact the Student Equity office at equity@gwc.cccd.edu.
