
goldenwestcollege

goldenwestcollege GWC is excited to announce that ALL course materials for math classes during the Spring 2025 semester will be FREE! 🎉🎉

That includes calculators, textbooks and access codes for homework and study materials 📖 all of which can add up to approximately \$300-\$500 per class.

Registration for the Spring 2025 semester opens on Monday (10/28) - if you've been holding off on taking that math course, now's the time to sign up!

I would like to personally thank all the GWC Mathematics faculty who worked tirelessly over the past three years converting their classes to OER/ZTC to make this happen for the betterment of our students. It was their hard work and dedication that made this possible.
