

## Signal Vine Texts

### Text 1

Dear GWC Student,

Please find the below update on federal financial aid and our upcoming spring semester refund schedule.

Federal Financial Aid:

Recent announcements suggest the possibility of a pause in federal financial aid. However, at this time, there is no direct impact on federal financial aid programs. We will continue to monitor the situation and keep you informed of any developments.

Spring Semester Refund Schedule:

The first round of financial aid refunds for the spring semester is still on schedule to be distributed to eligible students starting this Friday. You can find the complete refund schedule for the semester here: <https://www.goldenwestcollege.edu/gwcfao/refund-dates/index.html>

We understand that financial aid is important for many students, and we are committed to keeping you informed. If you have any questions, please do not hesitate to contact the GWC Financial Aid Office.

Sincerely,

GWC Financial Aid Office

### Text 2

GWC Enrollment Services: Spring term begins tomorrow 1/31. All courses that have started will require an Add Code from the instructor to register. You still have a few minutes more to make a payment to avoid being dropped from your Intersession/Spring classes; waitlisted classes are subject to the drop policy as well. Many classes are impacted, and you may not be able to re-enroll in your preferred course schedule after being dropped. YOU CAN DISREGARD THIS MESSAGE if you have already made payment arrangements for the Spring term.

### Text 3

Hey XXXX, this is Heather, your Financial Aid counselor at GWC. Spring registration is open, and with only 2 weeks left in the semester, now's the time to plan your next classes! Mention this text to scheduling services for faster help. Call 714-895-8119 ext. 1
