**Monday, February 10th**

**2:00 - 3:00 pm**

**Presenters:** Dr. Jennifer Kalfsbeek-Goetz, VPI & Michelle Veyette, Distance Education Coordinator

**Intended Audience:** Full-time and part-time faculty who have not attended an RSI training to date.

This workshop will provide a comprehensive overview of the key regulations governing Regular Substantive Interaction (RSI) in distance education, with a focus on ACCJC accreditation standards and Title 5 requirements. We will begin by exploring these regulations in detail, ensuring participants understand the legal and accreditation obligations for RSI. Faculty will then discuss what has worked for them on their own RSI journey. Participants should come to the session ready to share their ideas, best practices, and engage in rich discussion and Q&A centered on RSI to ensure participants have a clear understanding of the relevant laws and regulations, effective practices, and the tools and programs available.
