The advertisement for the TimelyCare app features a smartphone on the left displaying the app's interface with a 'Get Care' button. To the right, the text reads 'timelycare' in a stylized font, followed by 'Free, 24/7 Virtual Health and Well-Being Services at Your Fingertips'. Below this, there are logos for the App Store and Google Play, and an illustration of a person using a laptop. At the bottom, it says 'Download the TimelyCare App Today!'.
