The Board is the ultimate decision-maker for the District in accordance with applicable state and federal statutes and regulations. In executing that responsibility, the Board is committed to the principles of participatory governance and its obligation to ensure that appropriate members of the District community participate in developing recommended Board Policies and Administrative Procedures for Board approval or ratification.

Nothing in this Policy will be construed to interfere with the formation or administration of employee organizations or with the exercise of rights guaranteed under the Educational Employment Relations Act, Government Code Sections 3540 et seq.
