Chancellor's Goals for the District 2023-24

1. Strengthen proven-strategies for increasing student success and equity
a. Implement Diversity, Equity, Inclusion, Accessibility, and Anti-Racism (DEIAA) plans
b. Increase opportunities for supplemental education
c. Prioritize adoption of Open Educational Resources (OER)
d. Strengthen student Veterans programs
e. Strengthen responses to student health, food and housing insecurity, and technology needs
f. Support the colleges in their efforts to establish a more student-centered class schedule
g. Adopt best practices to close equity gaps in outcomes by using data in equity minded ways
h. Support an accessible learning environment
i. Strive to align employee demographics with student demographics
j. Support district and college review of operational processes and procedures to identify and, if necessary, address bias and discrimination

2. Strengthen fiscal integrity
a. Align operations with budget and enrollment, minimizing impact to students
b. Maximize auxiliary and external funding, and prioritize budgets, grants, and available resources
c. Enhance transparent budget practices and audit controls to support college and district decision making.

3. Increase enrollments productively
a. Strengthen existing programs that meet educational needs, draw and retain students, and lead to increased completion rates
b. Advertise benefits of Coast Colleges
c. Adopt local Financial Aid reforms to improve accessibility and increase retention
d. Encourage and assist the colleges in reaching established goals for instructional efficiency through class scheduling

5. Strengthen employee, student, and community relations
a. Communicate consistently to inform internal and external stakeholders of the state of the District, particularly regarding the budget and its impacts, student success rates, and safety of our colleges
b. Implement strategies to enhance capacities of Human Resources
c. Engage community partners in college programs to increase funding and support

6. Leverage innovation and technology
a. Create and support opportunities that enhance a culture of innovation
b. Remove barriers to innovation in process and culture
c. Enhance the operational integrity and security of Information Services
