A program will be provided, which may include, but is not limited to, scholarships, grants, loans, and work and employment programs. All financial aid programs will adhere to guidelines, procedures, and standards issued by the funding agency, and will incorporate federal, state, and other applicable regulatory requirements. The Chancellor shall establish, publicize, and apply federally regulated satisfactory academic progress standards for participants in federal Title IV student aid programs in the District.

Misrepresentation

Consistent with the applicable federal regulations for federal financial aid, the District shall not engage in “substantial misrepresentation” of 1) the nature of its educational program, 2) the nature of its financial charges, or 3) the employability of its graduates.

The Chancellor shall establish procedures for regularly reviewing the District’s website and other informational materials for accuracy and completeness and for training District employees and vendors providing educational programs, marketing, advertising, recruiting, or admissions services, concerning the District’s educational programs, financial charges, and employment of graduates to assure compliance with this Policy.

The Chancellor shall establish procedures wherein the District shall periodically monitor employees’ and vendors’ communications with prospective students and members of the public and take corrective action where needed.

This Policy does not create a private cause of action against the District or any of its representatives or service providers. The District and its Board do not waive any defenses or governmental immunities by enacting this Policy.

Scholarship Displacement

The District shall not engage in scholarship displacement. The Chancellor shall establish procedures to ensure that the District does not reduce the “institutional gift aid” offer of a student who is eligible to receive a federal Pell Grant award or financial

assistance under the California Dream Act for an academic year unless the student's gift aid exceeds the student's annual Cost of Attendance.
