with the Coast Community College District
June 29 - July 28, 2023

PROGRAM APPLICATION

Immerse yourself in experiential learning...

Spend the Summer in Madrid with the Coast Community College District (Orange Coast College) and Accent. Madrid becomes an extension of your classroom as you explore Spanish parks, monuments, churches and museums while attending Spanish Language classes with local or visiting faculty. Summer in Madrid program participants live in student apartments or in homestays (with supplement) located throughout the city and have the opportunity to explore Spain with optional day and weekend excursions.

Program Faculty - Denise Cabanel-Bleuer

Professor Denise Cabanel-Bleuer has been happily teaching all levels of Spanish at Orange Coast College since 1999. Having grown up in a multilingual environment (her father was French, and her mother was born into a German family and raised in Colombia), she developed a fascination for languages early on. She graduated from UC Davis with double major in Biological Sciences and Spanish and a minor in French, then went on to complete a Master of Arts in Spanish at UC Davis and later pursued doctoral studies in Medieval Spanish Literature at UC Berkeley. She loves traveling and is a strong proponent of Study Abroad, having participated in a program in Mexico City as an undergraduate, and later co-leading OCC's Summer in Madrid program in 2005. Professor Cabanel-Bleuer is very excited to return to beautiful, vibrant Madrid and accompany her students on their language-learning journey!
