You'll visit Stirling Castle, the key to the kingdom of Scotland, which dominates a vast volcanic rock above the river Forth at the meeting point between Lowlands and Highlands. Its origins are ancient and over the centuries it grew into a great royal residence and a powerful stronghold. During the Wars of Independence, which were civil wars among the Scots as well as a struggle between Scotland and England, the castle changed hands eight times in 50 years. And it is no accident that famous battles such as Stirling Bridge and Bannockburn took place within sight of its walls. In times of peace Scottish royalty came to Stirling to enjoy its comforts, the superb hunting and to hold court – the castle was often the centre of government. It was also a childhood home of some of the most famous people in Scottish and British history, such as Mary Queen of Scots and James VI and I. Later it became an important military base and eventually home to the Argyll and Sutherland Highlanders.

On 16 April 1746, the final Jacobite Rising came to a brutal head in one of the most harrowing battles in British history. Jacobite supporters, seeking to restore the Stuart monarchy to the British thrones, gathered to fight the Duke of Cumberlandâ€™s government troops. It was the last pitched battle on British soil and, in less than an hour, around 1,600 men were slain â€” 1,500 of them Jacobites. The richly researched, stimulating and sensitive Culloden Visitor Centre, which stands beside the battlefield, features artefacts from both sides of the battle and interactive displays that reveal the background to the conflict. # WHAT DO I DO NEXT?

If you like the proposal, we can set up a tour agreement and confirm your group. If there is something you want to change, let us know and we can send you a revised quote. Everything is completely customized and we would be happy to make any changes that you wish. Once you decide on a final trip itinerary we will issue a tour agreement that will outline the payment terms for your group. At that time you can choose to handle the participant registration yourself or via a customized trip website that we can create.

# RESERVATIONS / BOOKING CONDITIONS

- This quote is valid for fifteen days. We will issue a tour agreement and confirm all services upon your request. No space is currently reserved and prices are not guaranteed until the tour agreement is signed by both parties and your deposit is received.
- Prices are based on the number of paying passengers specified and are subject to change if the minimum number indicated is not booked. Prices vary based on the number of people sharing each room. Each room will hold up to four people and prices have been given based on either one, two, three or four people sharing a room.
- There are no hidden costs or extra fees. If an attraction or location with an admission charge is listed on "Package Includes" then the cost to enter is included. We do not charge higher prices for adults. All participants pay the same price! Current volatility and extreme increases in the cost of fuel has made it necessary to let you know about the possibility of a fuel surcharge. In the past we have always absorbed these charges but we do reserve the right to pass increases (due to fuel costs) imposed by our transportation suppliers on to you. These surcharges have typically been between 1% to 4% of your trip cost.
- A deposit is required with your signed tour agreement to confirm space.
- Final balances and a final rooming list are due sixty days prior to departure.
- Travel insurance is available and strongly recommended. It enables individuals to cancel and receive a full refund due to a family or medical emergency or to cancel for any reason at all and receive a 70% refund. It also provides trip delay coverage in the event of service delay or cancellation by a common carrier.
