The Chancellor shall develop appropriate administrative procedures to implement the provisions of the federal and state laws which authorize the securing of copyright protection for works, including but not limited to registering copyrights and policing infringements, on behalf of the District. The procedures developed by the Chancellor shall assure that the District may use, sell, give, or exchange published materials and may license materials prepared by the District in connection with its curricular and special services.

In the development of these procedures, the Chancellor shall solicit the input of the proper representatives of the college community in accordance with the District's policies regarding participation in local decision making.
